BE BOLD. Shape the Future.

What is the Space Survey?

The space survey is the primary process of the campus room Inventory, used to collect the University's space-related information:

- A. Organizational Occupancy
 - Organization(s)/Department(s) & Percent(s)
 - Primary Usage(s) and Percent(s)
- B. Occupant(s)

What is the Importance of the Space Survey?

Regulatory Requirements

- Facilities and Administrative (F&A) rates.
- Meet federal and state requirements.

Space Management

- Helps us validate the requirements for capital projects.
- It's a support mechanism for the University's strategic planning initiatives.
- Used to assess departmental space utilization and analysis.

Budgeting and Planning

- Building and equipment depreciation tracking.
- O & M costs associated with structures.

The Space Survey Fiscal Year period

From July 01st, 2024 thru June 30th, 2025.

The space survey must reflect the activities conducted in each room during the fiscal year.

Space Representatives

Space Surveyor:

Collects, verifies, and updates space data.

- Examine the rooms designated in your space inventory for accuracy.
- Walk through the assigned locations at the survey and identify the room(s).
- Identify what space information has changed in each room,
 - ➤ The Organizational Occupancy Department(s), Primary Usage(s) or Percent(s)
 - **≻**Occupants
- Enter the space updates into the ReADY space survey.

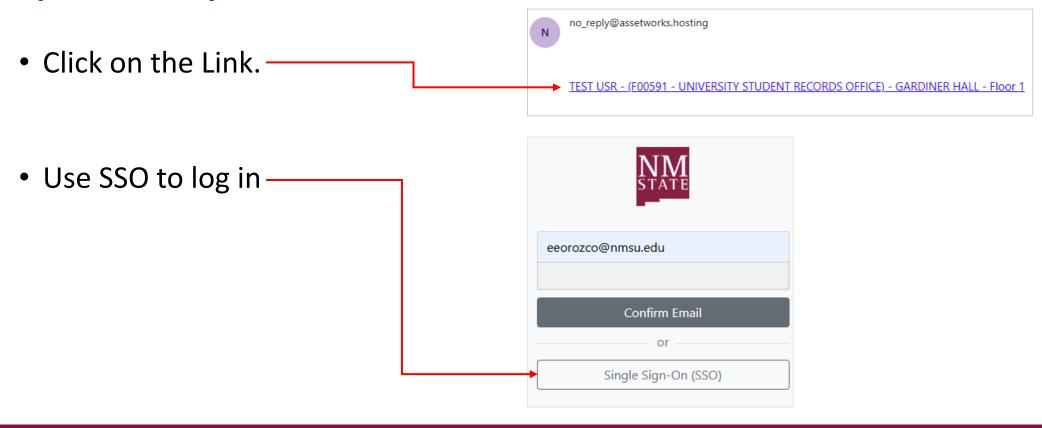

Space Representatives

Space Survey Approver:

- Review whether the Space Surveyor has followed the correct process.
- Verify that the space information surveyed is accurate and complete for all locations.
- Adjust the space survey as necessary or send it back to the surveyor for revisions when required.
- Route the Space Survey to the Space Administrator (Office of Space Planning) for final review and completion.

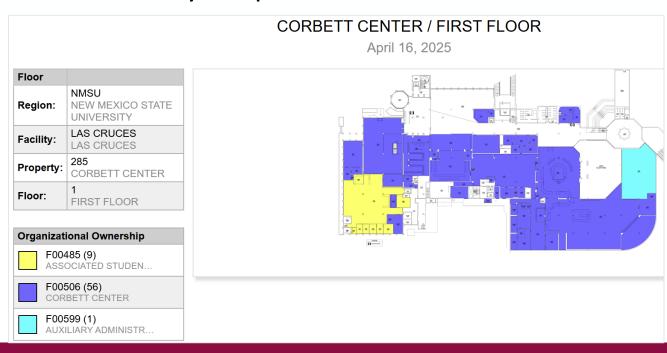

Space Survey Link – You will receive an email with a link(s) to your space survey(s).

ReADY Floor Plans

- > Help you visualize the locations of your organization.
- >It is easy to spot inconsistencies between the signage and the room numbers.

The Space Viewer Floor Plan displays the building information, location numbers, and ownership details.
